## Value to your enterprise

Your company can get invoices paid timely and in-full when leveraging Clearco as your customers' top invoice funding solution.

### Improve time-to-payment when submitting invoices

Get paid in as little as 24 hours when you sign your customers up for Clearco.

### Improve quantity of orders and order size

Enable customers to say yes to larger purchase orders by having Clearco fund their invoices.

### Improve response time to your inquiries over invoices

Leverage our team's customer support when inquiring about Invoice Funding via Clearco rather than contacting your customer.

Andrew Curtis, CEO | Clearco

Clearco works with ecommerce stores who earn \$10k+ in revenue monthly, specifically funding their inventory, shipping, and logistics invoices and receipts.

This poses an interesting opportunity for ecommerce suppliers and vendors to have their invoices paid quicker. To date, Clearco has funded more than \$131M in inventory invoices.”

## Value to your ecommerce customers

Your ecommerce customers can grow their business faster by investing in inventory, marketing, and shipping and logistics through paying invoices quicker with Clearco.

- Fund their invoices and receipts
- Bridge their cash flow gaps
- Allow for full payment on invoices
- Allow for larger orders
- Improve supplier-vendor relationship

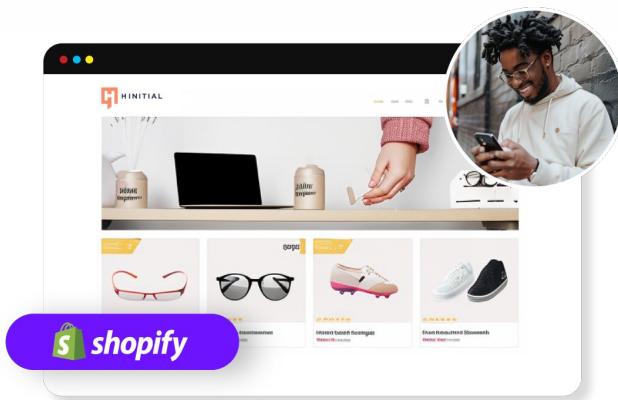

### — How to get started

## Join Clearco in funding ecommerce to get your invoices paid
